Dear Parent/Carer,

Boneo Primary School is looking forward to another great year of teaching and learning and would like to advise you of Boneo Primary School's voluntary financial contributions for 2025.

Schools provide students with free instruction to fulfil the standard Victorian Curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school your support has allowed us to maintain our focus on providing high quality resources and materials to improve student learning. Your contributions ensure our students have access to enhanced digital learning through our STEM program, upgraded facilities and a broad co curricular program.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Marija Pandza - Acting Principal

Davey Smith - School Council President
